Testimonials

“ In 2004, I was quoted 945.00 for a root canal that I desperately needed. My husband was between jobs and I was a full-time mom, so I really could not afford that! I "google-searched" discounted dental plans and found Ameriplan®! I signed up, got my card and went in to my dentist to see what the discount would be! Instead of 945.00, I paid 375.00!!!! I was thrilled! I wound up needing two more root canals, had some cavities filled and ended up saving 2,200.00 on my dental work in 2004!!! Thank you, Ameriplan®! I now have a great smile with healthy teeth and it didn't break our bank account! Because I experienced first hand how good our benefits are, I joined the company as an IBO and am now a full time mom and ESD with Ameriplan®, who hit the \$25,000 Presidents Club this past November! Life is good and we now have additional income as well as affordable health care! ”

Theresa D. – Point Pleasant Beach, NJ

“ I have really good dental insurance with the military. However, in December of 2006 I went in for a 2nd opinion. I already had 2 dental cleanings for the year. So, I wasn't sure how much the insurance would cover. I made sure to go to a provider that was in-network for my insurance and also an Ameriplan® provider. I was given a brief oral exam and bite-wing x-rays. The bill would have been \$90 and my insurance was willing to pay \$20 of that. Then, I called the dental office and reminded them that they had my Ameriplan® card on file as well. They took the bill back up to \$90, took off the Ameriplan® discount and then my \$20 from the insurance and my bill went from \$90 to \$40. I was THRILLED! Who wants to pay an extra \$30 when you can save with Ameriplan®! ”

Fred G. – Duncan, SC

“ I went to a Lens Crafters for my eye exam and saved \$20.00 on the exam alone. I then purchased some new glasses that are name brand. I am about blind as a bat and need to have my lenses thinned so I don't look like I'm wearing coke bottles! My lenses normally run \$240.00 for the lenses ONLY and my new frames normally cost \$162.00. My new glasses came out to \$402.00 and then I handed them my AmeriPlan® Card through Coast to Coast Vision. She gave me my new total of ONLY \$219.00. My frames went from \$162.00 down to \$96.00 and my lenses went from \$240.00 to \$123.00. I saved a total of \$183.00 on my frames and lenses by using AmeriPlan®. That came out to be a 45% savings on my new glasses. ”

Susan G. – Peyton, CO

“ We have been using our Ameriplan® prescription benefit a lot lately and have been saving a lot! My husband received a prescription from our Dr. that he takes on a monthly basis. We were so pleased when we gave the script to our pharmacist and she said this will be \$120.00 but with your discount thru Medco you will only be paying \$44.00! A savings of \$76 a month. Thank You Ameriplan®!! My daughter went to the dentist to get her teeth cleaned which only was \$47.00. She was REALLY smiling big after that!! ”

Tammy R. – Royal Oak, MI

Testimonials

“ Just received a phone call from my sister about two prescriptions she saved \$88.00 on. Both were for her daughter, who has no insurance or medicare. On one prescription my sister has been paying full price for years she was able to save \$73.00 and on another new prescription to help my niece stop smoking she saved \$15.00(the woman at the Walgreens pharmacy told my sister that insurance companies don't give a discount on this "stop smoking"prescription). Of course my sister said "this isn't insurance". As my sister further commented " I'm sure glad you were persistant in getting your niece on the plan for \$19.95 a month", because I've saved so much money on just these two prescriptions I'm looking forward to seeing how much I'll save on the other prescriptions. I also saved \$60.00 on my wife's new prescription. Normally at Walgreens it is \$284.00 for 120 pills, but with AmeriPlan® it was reduced to \$224.00. It's GREAT! ”

Donna O. – Douglas, GA

“I saved \$20.00 on my chiropractic visit, \$82.00 on my glasses, 30% on my contacts, and \$7.00 on some cough medicine. I cannot brag on AmeriPlan® enough. ”

Donna O. – Douglas, GA

“ I just wanted to thank you again for the Chiropractor referral. My husband and I have both started seeing Dr. Minsheu-Shurr, and she is the most amazing doctor! She has been able to definitively find the cause of my back pain and headaches (that I have had for years!) and diagnose my husband as well. We are just thrilled with her treatment and kind attention to our personal cases.

I appreciate your help in connecting us with her. It has made such a difference and I am just amazed at the way God leads us in this life to find just what we need at just the right time. I just randomly picked up your number off of the flyer at my apartment and through you and Ameriplan® have found a great dentist and chiropractor. ”

Hillary S. – Dallas, TX

My daughter chipped her front tooth. They took x-rays, as well as fixed the tooth... Thanks AmeriPlan for saving me \$200.

Timothy J – Oberlin, OH

I had a prescription filled Walgreens. It would have cost me \$140.00 but with AmeriPlan I paid only \$21.00. Way to go AmeriPlan!!!

Dannette S – Jackson, MS

DISCLOSURES TO CONSUMERS:

These discount medical plans are NOT health insurance or a MediCare Prescription Drug Plan. Membership in these programs entitles you to discounts for certain medical services and prescription drugs by providers who have agreed to participate in these discount programs. These programs do NOT make payments directly to the providers of medical services and prescription drugs. The programs' members are obligated to pay for all healthcare services, but will receive a discount from those healthcare providers who have contracted with these discount programs. The name, address and specialty of the discount medical and prescription drug program providers in your service area are available before purchase and upon request by logging on to www.ameriplanusaprovidersearch.com or call the AmeriPlan® Consumer Information Center at 1-800-647-8421.
